

WHAT DO THE HOME CONSTRUCTION REGULATORY AUTHORITY AND TARION DO?

- Regulate and licence new home builders and vendors
- Enforce high professional standards in competency
- Handle home buyer concerns about the conduct of their builder or vendor
- Manage the Ontario Builder Directory
- Backstop the new home warranties, manage warranty claims and claim payouts
- Enrol new homes in the warranty and protection program
- Handle underwriting of vendors and builders
- Conduct pre-possession risk-based inspections
