Why register your new home purchase?

All freehold home buyers in Ontario should register their purchase agreement to receive the maximum deposit coverage available.

This helps Tarion:

- ✓ ensure your builder is acting legally
- ✓ take steps to protect consumers if illegal sales are identified
- ✓ provide you critical information about your warranty

A home is one of life's biggest purchases. You owe it to yourself to protect your investment.

We're here to help.

In Ontario, newly built homes come with a warranty provided by the builder and supported by Tarion, an independent consumer protection organization created by the provincial government. Our role is to ensure that Ontario's new home buyers receive the coverage and protection they're entitled to under their warranty.
