

How to register your purchase agreement with Tarion

Registering is quick and easy and only requires a couple of steps:

- 1 Before you register, you will need the following information that can be found in your purchase agreement:
 - Contact information for the purchasers of the home
 - Your deposit amount
 - Home ID (found on the Warranty Information Sheet attached to your purchase agreement)

NOTE: If you do not have a Home ID number, you can still register your purchase agreement but you will need extra information – the vendor’s name and your home address/legal description of the property.

- 2 Visit www.tarion.com/registertoday or click on the QR code above. Enter your contact information, deposit amount and Home ID.

What happens next

Once you have registered, you will receive a confirmation email from Tarion with important information about the new home warranty program.
